The update on EDC Membership for Jared Holthe will be on next Month's Board agenda, Jared's membership for approval did not make it on the village board's December's agenda.

Village's wayfarer sign was discussed. Nadine stated that Bob Anderson had some questions on the size of the signs and the polls that it will be mounted to.

Get Fit Brooklyn community outreach program was discussed. Steve Lust pointed out how it will benefit Brooklyn. The committee said that we should focus on what the volunteers should do and what we need from the sponsors. Nadine pointed out that Cindy Andreas from Oregon/Brooklyn Senior Center would be a good person to contact to help out on working with the seniors citizens. Also was stated that we should assign committee members tasks on the "things to do" list for the program.

An update on Green County Visitors Guide, Tim Belter stated that it was cut from the budget.

Business Park was discussed. Nadine will be contacting Vierbicher on the feasibility study and will be meeting with Mark Riese; she will give us an update on this at next month's meeting. Heather Kirkpatrick will work on the survey questionnaire to pass out.

Goals, budget priorities, our priority charts, and tasks were discussed. Two priorities are set for next month's agenda: one task is working on the Community outreach program and the other is working on the business park. Also dates will be set for having a town hall meeting for the citizens and one for businesses.

The update on EDC budget: there has been no change to it at this time.

Motion: Traci Schaefer/Tim Belter to adjourn the meeting at 8:48 pm. *Motion carried unanimously.*
