Discussed Craft Show brochure and mailing labels. Janeen will send them to the Village office for printing. The committee will get together in the next few weeks to prepare the brochures for mailing. Helen will head the Craft Show this year.

Discussed Movie Night and confirmed those who will be working at the movie on Saturday, March 7th. April is the last movie night for the season. Again, it has been a very successful year and do in part we believe because the movies were planned and they were advertised on the LED Sign.

Discussed Dime A Dip Dinner, Stacy has the mailing list cleaned up and we will begin creating a script to use while calling residents for donations. The date for the event will be on May 7th from 4:30pm to 6:30pm. It was decided this year that we would try to collect recipes for a possible recipe book in the future. Janeen will work on getting a logo design for the Dime A Dip, The Summer Music Series and the Summer Youth Recreation Program.

Discussed the Summer Recreation Program, there are many ideas that we need to discuss further and will dedicate the April meeting to just working on improvements to the program. We would like to help create a calendar of events, involve parents in the program and recruit more volunteers to assist during the summer.

The Recreation Committee welcomed a guest, Jill Van Den Eng who is interested in joining the committee. Helen will submit her name to the Village Board for approval at the Monday, March 9th meeting. The Recreation Committee is still looking for another resident to join the committee and will add an announcement to the Village Newsletter.

Discussed new ideas, it was noted that Movie Night should include movies that target Teens, T-weens and that we should add the ratings to the movie list for parents. We also discussed possible locations for the Summer Music Series and will be look at the parks and community building stage area as possibilities.

Meeting adjourned at 8:21pm pm, Helen motioned to adjourn; Heidi 2nd
