## Minutes of Recreation Committee Meeting September 9<sup>th</sup> 2009 Brooklyn Community Building

Members present: Helen McCord, Jill Van den Eng, Tari Lust, Stacy Wolfe, Ginger Valiska, Carlene Alvord, Janeen Podgorski. Heidi Fischer excused absence.

7:00pm – Call meeting to order

The committee discussed our Mission Statement Creation and began to work on what this meant to us as a committee. We worked on defining what our Strengths were as a Committee, our weaknesses, what opportunities we had and what our challenges were. This was a great discussion and we created a few versions of our mission statement. Jill Van den Eng will combine these versions into one for our next meeting.

We discussed what went well during the Summer Music Series and where were our areas of improvement. We determined that it would be nice to get local vendors to sell soda, etc during the concerts. More advertising was needed and we would like to ask local vendors to sponsor these bands as well. The planning for the 2010 season will begin right away.

The Committee discussed Winter-fest and Get Fit Brooklyn. We came up with new ideas that the leads of these events will discuss and review at our next meeting.

The committee voted on the list of movies for Family Movie Nights which begin in October 2009. We will once again send flyers home with Brooklyn Elementary Students listing the dates and the teasers for the movie titles. We have added a Double Feature Night three times out of the six movies scheduled. If attendance is low for this new feature, then we will discontinue the following season.

Committee discussed a possible Halloween event, but decided that we did not allow enough time to plan and will discuss an event for 2010.

Committee discussed the possibility of a Recreation Committee Picnic during the summer where we would socialize with our families. Everyone thought this would be a great way to bring our committee together and would bring fun to the whole group.

Meeting adjourned at 9:15pm
