## ECONOMIC DEVELOPMENT COMMITTEE

### Minutes

March 11, 2010

6:30 pm

The meeting was called to order at 6:30 pm. Attendance was as follows: Steve Lust, Traci Schaefer, Tim Belter, Heather Kirkpatrick, Jared Holthe, Nissin Rodriquez, Dave Fahey and Acting Chair Walsten. Also attending: Dawn and Terry George.

The meeting was called to order at 6:30 pm. The minutes of 2/2/10 were approved (Fahey/Kirkpatrick) with the recommendation the spelling of Tim Belter's name is corrected from "Tin" to "Tim." The minutes of 1/14/10 were approved (Belter/Holthe).

A discussion with Dawn and Terry George transpired re: future Village plans for the east side of Brooklyn with the proposed land use map discussed, which involves their property on the east boundary. Tentative plan is to follow up this discussion at the next meeting.

The Vierbicher Feasibility Study Report was briefly discussed, noting that until funding can be procured, it is difficult for the Village to move forward on this project. Further discussion briefly centered on the need to create a packet for Village entrepreneurs with online resources, etc. and the need to update/revise the Economic Development section on the Village web site.

Walsten reported on the appropriations request she completed and sent to Congresswoman Baldwins' office. Funding from this source is highly unlikely, however, the committee felt it was worth making application.

Meeting was adjourned at 9:20 pm (Kirkpatrick/Fahey).

Nadine Walsten, Recorder
