PLANNING AND ZONING COMMISSION MEETING MINUTES

April 22, 2013

The meeting of the Planning and Zoning commission of the Village of Brooklyn was called to order in the Brooklyn Village Hall at 7:37pm by Chairperson Nadine Walsten. Commissioners present were John McNaughton, Dorothy Frandy, Nissin Rodriguez, and Tom Schmidt. Dale Arndt had an excused absence. Also present was Deputy Clerk Kim Brewer and Ben Zellers of Vierbicher Associates.

Motion to approve **minutes from 3/25/13** by Frandy/Schmidt. Motion carried.

Vierbicher Zoning Administrator Services proposal: Ben Zellers from Vierbicher returned to the Plan Commission with a brief description of some of the services that could be offered from Vierbicher. Ben says they do both Planning and Zoning services and they can be as involved as the Commission wishes. Ben asks what the Village is looking for from them. Walsten says proposal of services and fee schedule. Will submit proposal and bring back to next scheduled PZ meeting.

Discuss and compare services between Vierbicher Associates and General Engineering: Frandy would like to see a direct comparison as to what General Engineering already offers vs. what Vierbicher would offer and see the price difference. One drawback is that Vierbicher does not offer building inspection services where General Engineering already provides that for us. More discussion will take place after receiving pricing from Vierbicher next month.

Motion to **adjourn**: Frandy/Schmidt at 8:53pm. Motion carried.
