Brooklyn Community Center (Conference Room)

Meeting was called to order at 6:30P.M. by Susan McCallum. Members present, Susan McCallum, Kyle Smith & Russell Cazier.

McCallum moved, second Cazier to appoint Kyle Smith as the chair of the ordinance committee. Motion carried.

McCallum moved, second Cazier, to send to the village board for approval meeting minutes from the Ordinance Committee of 4/6/2015. Motion carried.

Postponed discussion on 2015 ordinance committee goals. Past committee activities were reviewed; Animal Ordinance update, Building Code review and fine structure removed from ordinances, and committee activities. McCallum informed the group that Rob Kovach would like to have an expert appear before the committee to present information on feral cats. McCallum will forward electronic copies of these two chapters to the committee members for review in June.

Further discussion is needed with the Clerk's office to determine where the ordinances are in the recodification process with Muni Code and to decide how ordinances need to be sent, either individually or all of the current ordinances as a whole.

Background on the current status of the fire pit application/permits that was handed over to the fire department was discussed. No update has been provided at this time, and the chair will follow up the fire department to better understand the current process.

Safety Committee referred the complaint from a resident on Marcie Drive regarding damage to his sidewalk and efforts made to limit access to his property from a skid steer doing snow removal. Review of prior meeting minutes and portion of the current ordinance to better understand background of skid steer uses on roads and sidewalks. McCallum will be in contact with the Clerk's office to get a copy of the most current full ordinance for the next meeting. Smith will be in contact with the Public Works department to get answers to questions that will affect the ordinance for next month's meeting.

Committee discussed agenda items for June Ordinance Committee Meeting, which is tentatively scheduled for June 9th at 6:30 P.M.

Cazier moved, second McCallum to adjourn at 7:25P.M. Motion carried.
